About Me

I build brands that don't just look good, they perform. With 8+ years of experience across design, strategy, and storytelling, I turn business goals into bold, cohesive brand systems that drive engagement and growth. From brand identity and packaging to digital and e-commerce, my work blends sharp aesthetics with consumer insight. I partner closely with leadership and sales teams to shape NPD and brand amplification strategies rooted in real behaviour. Strategic, empathetic, and creatively fearless, I bridge design and business to create brands with purpose and impact.

Skills

- Creative Leadership
- Brand Strategy & Positioning
- New Product Development
- Problem Solving
- Performance-Driven Design

- Brand Identity & Visual Systems

Education

- **B.COM**
D.A.V Centenary College 2014 - 2017
- **Arena Animation International Program**
Arena Animation Multimedia 2017 - 2018

Experience

- **Asistant Manager Design & Brand Lead** 2023 - present
Esme Consumer Pvt Ltd.
At Esme Consumer Pvt. Ltd., I manage two professional salon brands: **Nature's Essence Professional**, focused on skincare treatments, and the recently launched **Strave Professional**, dedicated to haircare solutions. My role spans the entire product lifecycle, from concept to production. I lead consumer insight and competitive analysis before initiating design, ensuring informed and strategic decision-making. All design executions are developed with clear consideration of brand positioning, product pricing, and market relevance. I am responsible for NPD strategic thinking aligned with long-term brand goals, and I oversee the complete development of digital and print design. From product launch to final production, I oversee end-to-end execution, including the creation of FG codes post-artwork release to enable timely RM and PM processing. My approach balances strategic clarity with aesthetic excellence.
- **Senior Graphic Designer** 2022 - 2023
Honasa Consumer Pvt Ltd.
At Honasa, I handled packaging design for **The Derma Co.** and **Dr. Sheth's**. My role included new and existing product development, label and mono carton design, and ensuring compliance with legal guidelines. I managed text updates, KLD alignments, mockups, and pattern designs to enhance overall packaging aesthetics.
- **Graphic Designer** 2021 - 2022
Revlon
At Revlon, I managed the **Streetwear** and **Revlon** brand, creating offers, sales campaigns, and advertising creatives across major e-commerce platforms, including Amazon, Nykaa, Tata Cliq, Purple, Reliance, and Flipkart. I also developed A+ content and optimised listing images in multiple sizes for e-commerce platforms and brand websites.
- **Graphic Designer** 2019 - 2021
Elofic Industries Pvt Ltd.
I was the sole designer, responsible in **Elofic** for end-to-end packaging artworks and creative execution. I designed social media creatives for Facebook, LinkedIn, and Instagram in multiple formats, and handled offline marketing collaterals, emailers, NPD mailers, catalogues, creative resizing, and artwork creation on new KLDs, ensuring consistent and impactful brand communication.
- **Graphic Designer** 2018 - 2019
Kangaro Industries Pvt Ltd.
In **Kangaro**, I created packaging artworks for both clients and in-house brands, gaining hands-on experience across the complete packaging process from dummy box creation to final production-ready artworks. My role included developing structural understanding, print-ready files, and pattern designs for gift wrap sheets, ensuring visual appeal, accuracy, and smooth execution throughout the packaging development lifecycle.
